STOP! Check the width to make sure it is 7". If not, change needle size to get the appropriate width..

Repeat rows 1-6 for a total of 8 complete pattern sets.

STOP! Check the length to make sure it will not exceed 9". Add one more complete or a partial pattern set (ending with an even row) to adjust the final length while allowing room for two final seed stitch rows.

Repeat Rows 1 and 2. Bind off in the second row.

Be sure to leave an 18" tail at the end.

Now, knit another one since having two blocks in the same color and pattern is great for making shawls!
