Steps From Gallery to  
Upper Level Hallway

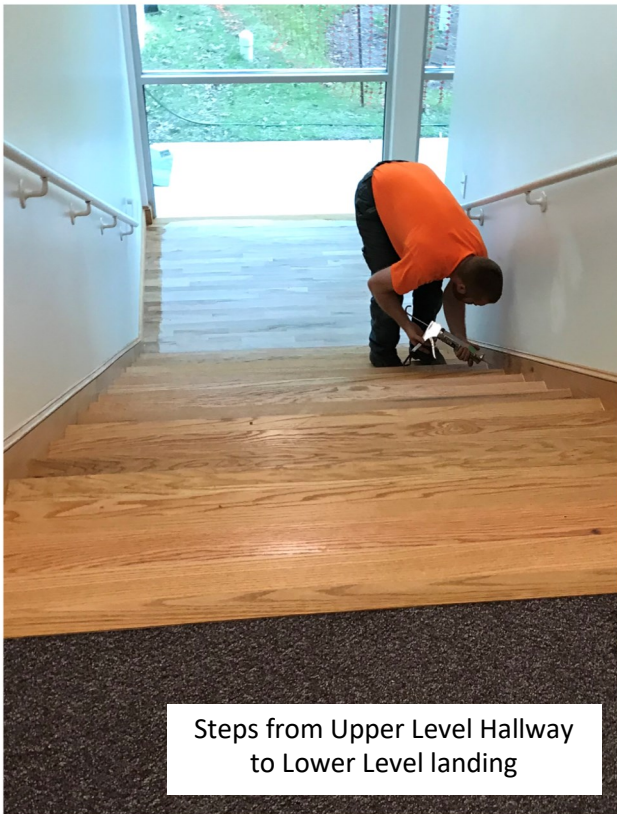

Steps from Gallery  
to Gathering Room

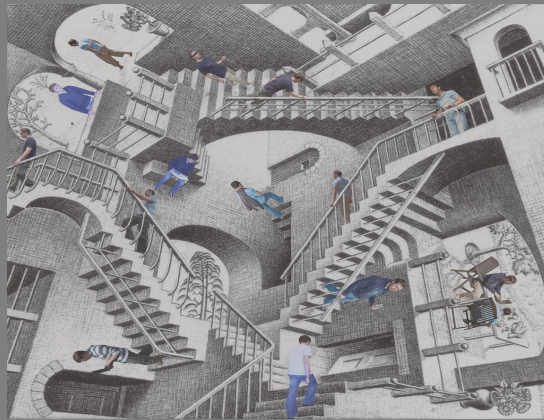

To see this week's  
video of the con-  
struction site, re-  
turn to Building  
Project home  
page and click on  
photo with  
this symbol   
in the middle.

Going on this  
week:

*Further staining  
and varnishing  
natural wood trim;  
Beautiful stairs;  
Plenty of railings;  
Lots of details...*

Steps from Upper Level Hallway  
to Lower Level landing

Railings around porch on west end  
of Gathering Room

Mystery Railing: all painted and  
ready to go... where?  
(Look again next week for the  
answer)

May 20, 2021

Steps to Gathering Room

Steps From Gallery, beside Lift

Suspended podium lights in Gathering Room

Going on this week:

*Continue staining and installing the wood trim; Other finishing details everywhere you look!*

Landing at foot of Stairway to Lower Level

Welder at work: Railing for back porch

To see this week's video of the construction site, return to Building Project home page and click on photo with this symbol in the middle.

A door opener!

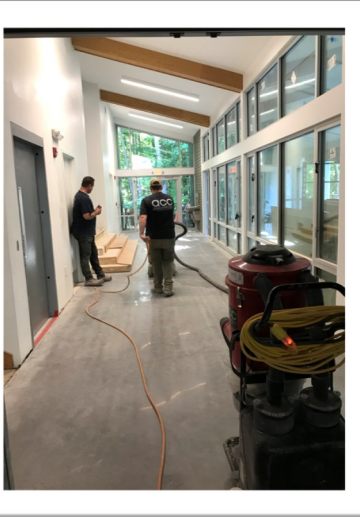

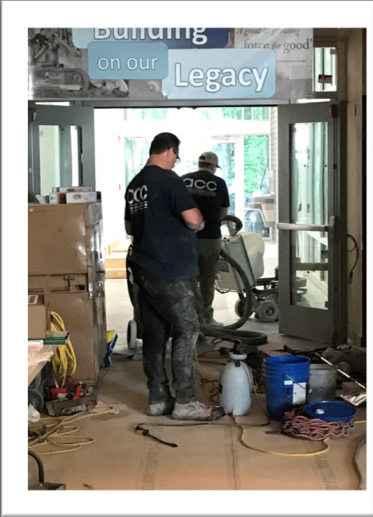

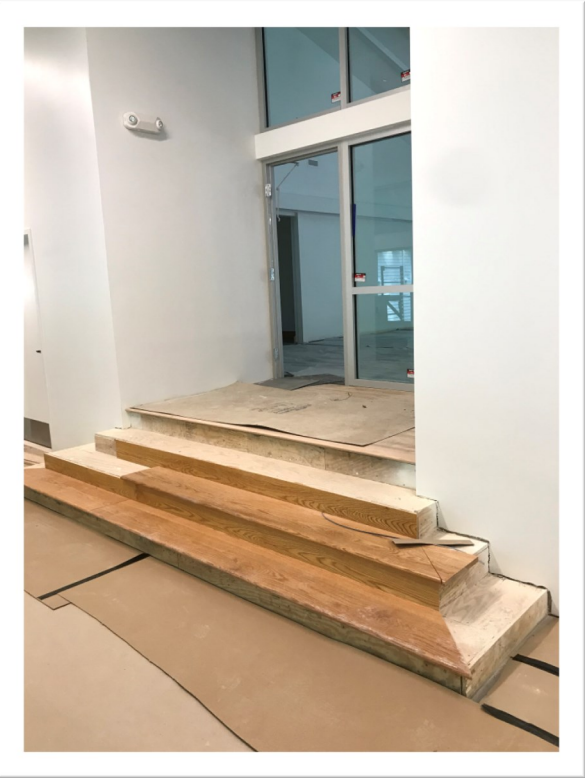

May 11-13, 2021

To see this week's video of the construction site, return to Building Project home page and click on photo with this symbol in the middle.

*Going on this week:*  
Staining and installing the wood trim (e.g. kick boards around the walls, stairways);  
Staining and polishing the Gallery's concrete floor; repairing the old paving in front and back lots.

May 6, 2021

Lower Level:  
The Living Room

To see this week's video of the construction site, return to Building Project home page and click on photo with this symbol in the middle.

*Going on this week  
With plumbing and other messy installations largely done, **SURPRISE** - In one day, carpeting tiles transform the floors of the Living Room and the Gathering Room!*

Upper Level:  
The Gathering Room

*For earlier photos, return to base page
